- What is ESD? Learn more about the basics of electrostatic charge.

## EDUCAZIONE CIVICA : CYBERBULLYING

Anche a motivo delle prossime elezioni a giugno per il rinnovo dei componenti del Parlamento Europeo, si è deciso di approfondire la tematica dell'Unione Europea e di inserire il discorso sul Cyberbullismo nell'ambito delle comuni misure di prevenzione, monitoraggio e tentativi di riduzione del fenomeno adottati nel presente dall'Unione Europea.

Da articoli selezionati dalla docente e pubblicati nella Classroom virtuale di Lingua Inglese:

### The European Union and its common policy of struggle for fighting cyberbullying

- The European Union: geographical features; common roots and history; European wars.
- Founding of the European Union: from the ECSC to the EEC, and to the EU as it is today.
- What the European Union does today: opportunities for young people, students and workers.
- How the EU makes decisions: political institutions inside the EU.
- Common actions to prevent and tackle cyberbullying: policies, strategies, good practices.
